Chairman Call said that all members of the RRAB were on board to move forward with the recommendation and come up with a plan on how to address the financial concerns.

Mr. Michael Ortega, County Administrator Emeritus, presented this item. Mr. Ortega gave the background and noted that this agreement was related to the acquisition of the Mansker and the Three Canyons properties in order to be able to transfer them into the County's ownership. He stated that Fort Huachuca needed this agreement to be approved by the Board in order for the County to have cooperative agency status through their process. He said that staff recommends approval even though there are some minor changes pending the Army's approval in order to get cooperative agency, but clarified that if the changes were substantial, the agreement would be brought back to the Board to approve changes made.
